### Structure and remit of the Governing Body

Glebelands School Governing Body has a legal responsibility to 'conduct the school with a view to promoting high standards of educational achievement at the school' (Education Act 2002). The Governing Body has three core functions:

- a) Ensuring clarity of vision, ethos and strategic direction;
- b) Holding the Head of School to account for the educational performance of the school and its pupils, and the performance management of staff; and
- c) Overseeing the financial performance of the school and making sure its money is well spent.

Glebelands School Governing Body consists of sixteen governor positions:

- 4 parent governors;
- 1 staff governor;
- 1 local authority governor;
- 9 co-opted governors; and
- The Head of School

The Chair of the Governing Body is David Burr; and the Vice Chair is Tamsin Pulfrey. The Clerk to the Governing Body is Yola Wilkins.

#### Governor categories:

**Parent Governors** are elected to their roles by parents of pupils at the school. Any parent or carer of a registered pupil at the school at the time of election is eligible to stand for election as a parent governor. Parent governors may continue to hold office until the end of their term even if their child leaves the school.

**Co-opted Governors** are appointed by the Governing Body. They are people who in the opinion of the Governing Body have the skills required to contribute to the effective governance and success of the school.

**Staff Governors** are elected to their roles by school staff. Teachers and support staff who, at the time of election, are employed by either the Governing Body or the local authority to work at the school under a contract of employment are eligible to be staff governors. Staff governors cease to hold office when they cease to work at the school.

**Local Authority Governors** are nominated by the local authority but appointed by the Governing Body. The local authority can nominate any eligible person as a Local Authority governor but it is for the Governing Body to decide whether their nominee has the skills to contribute to the effective governance and success of the school and meets any other eligibility criteria they have set.

**The Head of School** is a member of the Governing Body by virtue of their office.
